

Sustaining the Journey
presents...

**Lenten Warmup:
Repent and Believe in the God of Second Chances**

You know that Lent encourages a focus on prayer, fasting, and almsgiving, but have you ever taken time to really explore the stories that are presented to us in this season? The Gospels are rich with imagery, filled with relatable characters, and often challenge us to consider the rest of the story.

Sunday, February 27, 2022

4:30pm – 6:00pm

St. Mary Magdalene Church

Willowick, OH

Explore the season of Lent by delving into the Cycle C Sunday Gospels with a multi-media experience that includes Scripture, story, song, and inspiration. Presented by Bob Soeder and Mary Hrich, together we will immerse ourselves in the heart of Lent in an evening that will offer food for thought and nourishment for the soul.

About the Presenters...

Whether in Church ministry or in secular life, we all need to nurture our spirits. With a combined 75+ years of ministerial experience, Bob Soeder and Mary Hrich use their synergistic gifts to encourage, develop, and affirm all who wish to seek **renewal and refreshment** on the journey to being happy, healthy, and whole. *With Sustaining the Journey*, attendees benefit from two voices—sharing one faith...and occasionally, dueling pianos.
